The HotFlash 5K Run/Walk, sponsored by the Woman's Club of Cayce, celebrates the challenges of life's changes for men and women. It will take place 8:00 AM, Saturday, May 2. The course, certified by Strictly Running/USATF, begins on Clovis Parkway in Cayce between the Cayce Tennis and Fitness Center and Lexington Otarre Medical Center, past the historical setting of the 12,000 Year History Park and winds through the beautiful woodlands and waterways of Timmerman Trail and Congaree Creek.

The Woman's Club of Cayce is a 501(c)3 nonprofit whose mission is to promote the community of Cayce and the wellbeing of its citizens. Contributions are tax-deductible. Contributors may set up a booth at the race's Health and Wellness Expo to provide information or sell products and services under the event's group business license with the City of Cayce. The event is sponsored by the City of Cayce Hospitality Fund to encourage tourism to the City. We want to help people learn about our City and to bring them in to patronize local restaurants and businesses. In prior years, 80% of the runners and their families came from outside of Cayce. We encourage you to participate in some way.

Contributors providing products or services to the race in lieu of monetary donations will be recognized at the appropriate level. No electricity or shelter is provided for booth spaces; and tents are recommended. The City of Cayce requires tents to have weighted tie-downs. T-shirt advertising is not guaranteed for sponsorships received after April 20, 2020.
